

Week 4 of E-Learning

April 20-April 24th

Assignments are laid out daily , but can be completed anytime during the week that is convenient for your family.

April 20th

Watch videos on digital etiquette and email reflection on how social media affects today's youth

Digital Etiquette-- <https://www.youtube.com/watch?v=LR1TroBTlwA>

Engaged: <https://www.youtube.com/watch?v=WER63AY8zB8>

<https://www.brainpop.com/technology/digitalcitizenship/digitalaetiquette/>

Watch Brain Pop video, take the quiz and email me the results

April 21st

Update your Wellness plan today. If you didn't complete your Wellness plan for home, go ahead and create one. Share with me one thing on your Wellness plan and if you've used it while you've been home.

April 22nd

Go to PBS KIDS Engineering Games and play <https://pbskids.org/games/engineering/>
Play don't flood the fidgets and see if you can successfully engineer an entire town and get at least 2 stars OR

Play Hamster Run and see if you can pass at least 10 levels

Email me and let me know how far you got in twenty minutes

April 23rd

Take a digital break. Being a good digital citizen means being able to make sure you take care of all your needs, not just technological needs. Your assignment today is to walk away from all your screens for 15 minutes. No phone, no TV, no video games, no tablet. And do something for yourself. Meditate, say a Decade of the Rosary, Go for a bike ride, or a walk, Draw, Read a book, Cook yourself a lunch. Then once your break is over, email what you did!

April 24th

CATCH UP DAY! Did you not do all your tech assignments? Now is the time, look back and see if, check out the past lesson plan page. If you've done everything, great play a ABCYA Games or Symbaloo!
