

## **April 20th-April 24th**

Assignments can be completed anytime during the week that is convenient for your family.

**The next two weeks, you will be working on a Power Point.**

**If you don't have Power Point available to you, you can also use Google Slides for free.**

**You will have things to email along the way as progress checkpoint assignments.**

**If you have any issues, feel free to email me or visit my office hours or we can schedule a Zoom if necessary.**

## **April 27th**

Watch videos on Power Point and email 2 things you've learned.

Review instructions for your Power Point presentation and begin thinking about what your topic will be.

## **April 28th**

Review the instructions above before sending me your topic. If you can't decide, I'm happy to assign you a topic.

***First come, first serve on topics, you can't have the same topics as your classmates***

**6th grade**—Email me your topic---Digital innovations  
(*can be a group project up to three people*)

**7th grade**—Email me your topic---Famous Person

**8th grade**---Email me your topic—Persuasive Power Point

TIP: Don't start research until you've heard back that your topic has been approved, so you don't waste time.

## **April 29th**

Begin Power Point Research

Begin research questions on the grade level instruction page

6th-begin research on project; need at least 2 sources for presentation

7th- begin research on project; need at least 3 sources for presentation

8th- Begin research on project; need at least 3 sources for presentation

## **April 30th**

Continue to work on research and begin layout of presentation.

If you want to share your research, you can, but it's not required.

If you need help or have questions, come to Zoom office hours today.

## **May 1st**
